

# BUY A BRICK

As you may be aware, Mount Temple in conjunction with Clontarf Hockey Club are seeking to raise funds over the coming year in order to resurface the school's existing hockey pitch.

We have recently applied for the Sports Capital Grant and hope to be successful in this application for **€150,000**.

However, this will still leave a substantial shortfall in the financing of this project. We have a joint target to raise in excess of **€100,000** in order to relay the pitch surface.

The primary joint fundraiser is the '**Buy A Brick**' campaign. Each individual, family or company who buys a brick will be part of the fabric of the Hockey pitch moving forward. The brick will be located around the hockey pitch and will be in addition to those that are already in place from the original laying of the pitch in 2004.

The resurfacing of the pitch is long overdue and the facility may become unusable in the near future if this work is not carried out.

All pupils in the school benefit from this facility in their PE classes. The replacement of the pitch will therefore ensure the continued availability of this pitch to all our students while ensuring that Hockey Players in Mount Temple have access to an excellent surface into the future.

Clontarf Hockey Club are co-ordinating this project alongside Mount Temple with a joint pitch fundraising committee as listed out below.

There are three options for Buy A Brick. They are as follows:

Individual- €250

Family - €350

Corporate - €500 (A corporate flyer is attached - please feel free to pass this on to any business you feel may support the project)

If you wish to purchase a brick, there are three ways to pay:

1) Bank Transfer:
